WiLD 94.1'S ORLANDO DAVIS BRINGS THE FUNK FOR THE TAMPA BAY LIGHTNING PLAYOFF RUN

ST. PETERSBURG, FL – The entire Tampa Bay area is buzzin' with excitement as the Tampa Bay Lightning continues their run towards the Stanley Cup in the NHL playoffs. WiLD 94.1's morning show host and Program Director, Orlando Davis, started feeling extra funky after the Lightning beat the Montreal Canadiens to advance to the Eastern Conference Finals to play the New York Rangers. His musical mojo started flowing and he created a remix of the Mark Ronson and Bruno Mars hit song *Uptown Funk*. Orlando spun it to *Uptown Puck* creating an anthem for the Lightning playoff run.

"It's an exciting time, for the Lightning and the Bay. They have an enormous and loyal fan base, and many support WiLD 94.1! So, when one of our team said *Uptown Puck* would be witty, I started writing with Bruno's record in mind and 10 minutes later, we were recording!" said Orlando Davis. The song has been added into the music rotation on WiLD 94.1 and posted online at WiLD941.com for fans to enjoy.
