Carolinas HealthCare System
Levine Children's Hospital

KISS Mornings launch 12 hour broadcast for Play Anything Day

*Raising awareness and funds for
Carolinas HealthCare System's Levine Children's Hospital*

Charlotte, N.C. –Thursday, May 07, 2015 – Kiss Mornings with Maney, LauRen and Roy from WNKS KISS 95.1 will host a marathon broadcast this **Wednesday, May 13th** from 6a.m. to 6 p.m. taking requests in exchange for a donation to Levine Children's Hospital for the 7th Annual *Play Anything Day*.

Listeners will not believe their ears when they hear College Fight songs to Funk songs. Maney, LauRen and Roy will play everything from Sam Smith to Aerosmith; from Maroon 5 to the Jackson 5; from Prince to Queen and everything else in between. They will play it all, if the price is right. It will be random, it will be fun, and like no station you have ever heard before. Listeners are encouraged to call (704) 570-9595 or log on to www.kiss951.com between 6 a.m. and 6 p.m. to make their requests and pledge their donations. No musical genres or decades are off limits, and all donations benefit Levine Children's Hospital.

Last year Kiss Mornings raised over \$42,000 in 12 hours for Levine Children's Hospital during *Play Anything Day*.

"This is our favorite time of the year when we get to throw the format out the window and play any song our listeners want to hear for a donation to the kids at Levine Children's Hospital," said Maney from Kiss Mornings. "We also get to celebrate the care givers, the families and the patients at this great facility in our community that helps our kids every day."

Check out *Play Anything Day* on Kiss95.1 on-air by downloading the free iRadioNow app on a variety of mobile devices. Follow Kiss95.1 on Twitter (@kiss951wnks) and at [facebook.com/kiss951](https://www.facebook.com/kiss951).
