Beginning Thursday January 14, V 103.3 WMGV will be adding "The Kidd Kraddick Morning Show" at the same time 103.3's morning man Marc Miller will be moving to 107.9 WNCT, to celebrate the launch of "Marc and Donna in the Mornings" as a new morning team, featuring both Marc Miller and Donna Kelly.

"This new year has brought our Eastern North Carolina market a super-sized dose of positive, new changes!" said Market Manager Bruce Simel. "The first news will be the introduction of The Kidd Kraddick Show, also known as 'Kidd Nation' by listeners of 70 radio stations, the American Armed Forces Radio and the TV Show Dish Nation. The Kidd Kraddick Morning Show brings the biggest names in music and entertainment and will give away big cash and prizes to listeners in Greenville, Kinston, New Bern, The Beaches, and Jacksonville!"

"We're so excited to join V103.3!" said J-Si, one of Kidd Nation's four on-air stars. "Can't wait to welcome all of you to the Kidd Nation and visit Eastern NC, ASAP!"

"We're definitely welcoming all of this change and congratulating 103.3's popular morning co-host Amy Kay," added Bruce Simel. "Amy will be the executive producer of the Kidd Kraddick Morning Show and take over as midday host of V103.3's very popular mid-day show."

Meanwhile, V103.3's current mid-day Host and Program Director Colleen Jackson will be taking on new Program Director responsibilities at 107.9. "We are thrilled Colleen is joining our team!" added WNCT's General Manager Brad Hood. "We're also looking forward to welcome a brand new 'radio marriage' of two well-known talents, as V103.3's talented morning personality Marc Miller comes over to join our morning star Donna Kelly on 107.9 WNCT. Our listeners know Marc and Donna's combined energy, enthusiasm and love for our communities will be twice as much fun on a live, local morning show for Eastern North Carolina!"
